Summary

I'm a dedicated student of Urban and Rural Planning. I am very much passionate with my jobs which I perform in my daily life and I like the tasks most related to spatial analysis. And I think it's high time to see myself at such a place where I'll be able to share and increase my realm of knowledge.

Work Experience

- Field level data collection and analysis, interpretation to support researchers
- Solving different problems under different courses using spatial analysis and many other different processes
- Preparing reports on different critical research
- Making presentation more easily for stakeholders
